BASIC TERMS AND CONDITIONS

- 1, We have a \$50 minimum research fee, plus shipping charges. The research fee can be deducted from final usage fee if agreed. The shipping charges will not be deducted. **We request clients use FedEx or other shipper's account number to simplify any billing for shipment.
2. An extensive file search will require a larger research fee. An extensive file search we would define as more than 15 subjects and/or over 150 photographs pulled.
3. A signed copy of both our Stock Request Contract and our Basic Terms and Conditions is necessary before we can send out any slides. This can be done by fax if necessary.
4. The client is responsible for the safe keeping and the return of all slides to our office. If there is any damage or loss, each slide will be charged to clients at a cost of \$1,500.
5. It is recommended that you carefully ship and handle slides. All slides should be left in protective plastic sheets. If additional protective sheets are needed, we will gladly enclose them with your stock request. All slides should be shipped in FedEx boxes or comparable packaging with cardboard on both sides of slides until they are safely returned to our office.
6. No usage is authorized until we have agreed on a usage fee and the specific usage is clearly defined.
7. Unauthorized usage of any photos sent out is a Federal copyright violation and will be pursued.
