PHOTOGRAPHY AVAILABLE FROM STOCK FILES

High quality photography by Roger Miller is available for usage in advertisements, brochures, posters, magazines, web pages, etc. Roger's images are also available as original limited edition art prints. The stock collection has extensive coverage on the mid-Atlantic region, in particular, Maryland, Baltimore, Annapolis, Washington, D.C. and Delaware. Roger also has on file stunning photos of the Far East, many European locations and other areas of the United States.

Roger Miller has over 500,000 images on file. (See details in the pages to follow - Please review the Terms & Conditions of usage on page 1. - Page 2 is a Quick Reference guide to simplify your search.)

Contact us for samples of Roger Miller's photography or a custom pull of select images for your next project. Normally we send out the original photographs for review. Images chosen for usage may be supplied as high-quality prints, duplicate transparency (35mm or large format) or as digital files (low or high resolution). These options will warrant an additional charge.

Keep in mind that if your request is extremely specific, it is probably beyond the realm of stock images. Roger Miller can arrange to photograph specific needs not covered in the stock files.

- (3) A signed copy of both our "Stock Request - Contract" and our "Basic Terms and Conditions" is necessary before we can send out any slides. This may be done by fax if necessary.
- (4) The Client is responsible for the safe keeping and the return of all slides to our office. If damaged or lost, each slide will be charged to the client at a cost of \$1,500.
- (5) In consideration of #4, we recommend that slides be handled carefully while in your possession. All slides should be left in the protective plastic sheets. If additional protective sheets are needed, we will gladly enclose them with your stock request. All slides should be shipped in "Fed Ex" boxes or comparable packing with cardboard on both sides of slides. Slides should be shipped with a means to confirm delivery.
- (6) No usage is authorized until we have agreed on a usage fee and the specific usage is clearly defined.
